Planning/Zoning/Comprehensive Plan update
Code Task Force
September 7, 2006
Meeting Notes

Attending: Tom Shepstone, Mike Baden, John Dawson, Steve Fornal, Beverly Schoonmaker, Brenda Striano
Guests: Wayne Kelder

Meeting was called to order by Mike Baden

Highway Superintendent Wayne Kelder joined the meeting. Highway standards for the ongoing update of Subdivision Law were discussed with some minor changes made. It was also discussed to create a new section of the Town Code to be called Highway Standards. This would deal with the conditions and standards for how roads would be built in order to be taken over by the town. Tom Shepstone will draft new documents and he and Mr. Kelder will continue communication independently.

The Task Force will continue review of definitions in the existing Zoning Code at the next meeting.

Next meeting is September 18, 2006 at Town Hall, 7:00 PM – 8:30 PM
