

***Lolly Chase's Annual Quilt Show, Auction and Fundraiser at  
Kelder's Farm Route 209 Accord September 9, 2006 10am-6pm  
90% of the proceeds to benefit Valley Community Aquatics, Inc.***

**Dear Fellow Quilters,**

Do you have any left over or extra quilt squares from past projects? Would you consider donating them for our show and fundraiser? We are looking for extra squares to assemble into a quilt or quilts to auction off at our fundraising show. Below is a little information about Valley Community Aquatics, Inc. and their great project. Please help us support them in this endeavor.

If you have any quilt show questions, please call or contact:

Lolly Chase @ 845 626-5198 P.O. Box 12 Kerhonkson, NY 12446

*We thank you in advance for your generosity and appreciate your participation..*

**Valley Community Aquatics, Inc.**  
P.O. Box 730  
Kerhonkson, NY 12446  
(845) 626-4838 phone/fax

We have a vision for our community, a Year-Round indoor aquatics facility for the benefit our whole community.

Water...Aquatics...come join the fun

Valley Community Aquatics, Inc. is a New York State not-for-profit corporation formed for a very ambitious project; building a year round indoor swimming facility to benefit our communities. We will be utilizing "green technologies" to help protect our environment and to keep running costs down. Just think of what our facility can do! We will add 20-30 jobs to our valley. Invitational 3-day meets attract close to 1000 swimmers, many who will need places to stay and eat. It will provide a safe place to enjoy the water in various programs and activities for all ages.

We will have two pools, an Olympic Trial size pool and a smaller warmer pool with a diving well in one of these two pools. Both of these pools will have lift floors for easy access for any swimmers. At least one pool will also have a maxi-wave system for rough water training, wave pool parties, & just plain fun.

The pools will be used for swim lessons & *special training clinics*, swim teams (different ages and abilities), lap swimming, kayak lessons, lifeguard training, scuba training, diving, competitive meets (Local, School, USA and Masters), swim parties, open recreation, water polo, aqua aerobics, and other fun programs. Some funds will be available to aid any community members in need to participate in programs. We are also looking for volunteers to help us with our goals. Help us serve you and your family. If you have any questions regarding our project, please feel free to contact Neal or Jessica at the above mentioned telephone number or fax and check out the web site.

**Everyone will be welcome to come join the fun!**
