

PLEASE TAKE NOTICE that on September 15 and September 16, 2007, from approximately 8:00 am until 12:00 pm, Homeland Towers LLC will conduct balloon tests at properties owned by the Town of Rochester known as the Town Recycling Center, 100 Airport Road, in Rochester, New York identified as Section 69.003, Block 2, Lot 37 on the Town of Rochester Tax Map and Route 209, in Rochester, New York identified as Section 76.001, Block 3, Lot 17 on the Town of Rochester Tax Map. In case of inclement weather, backup dates will automatically be September 29 and September 30, 2007 from approximately 8:00 am until 12:00 pm. The purpose of the balloon tests will be to determine the location and height of two proposed telecommunications towers. Please contact Robert D. Gaudio at 914-333-0700 with any questions.
