

# LETS GO FISHING... FOR TIRES!

## THE TIRE BRIGADE

Come join the Town of Rochester Environmental Conservation Commission as we go fishing... for tires! Tires find their way into water bodies everyday and many have found their way into the Rondout. Come on out and paddle down a beautiful section of the creek and see how many tires we can collect. No experience necessary, come do some good and have some fun!

Most tires will need to be pulled from the creek bottom so come ready to get wet! Kayaks and canoes are recommended. Please bring any extra boats for others to use if you can!

**WHEN**  
JUNE 19TH  
10AM - 2PM  
RAIN OR SHINE

**WHERE**  
BERME RD RAIL TRAIL ENTRANCE  
1801 BERME RD
